KALON

www.kalonstudios.com

KALON STUDIOS IS A YOUNG AND DYNAMIC DESIGN STUDIO THAT PRODUCES NEW SUSTAINABLE DESIGN FOR MODERN LIFE.

Embracing American made craft and innovation, Kalon Studios was founded not only to design products that stimulate and inspire but also to use design for positive change.

We strive to produce products that hold a lasting, intrinsic beauty.

HUT-HUT
Maximizing 5-axis technology, this highly sophisticated and playful form is cut from a solid block of wood. Designed to reengage the adult in child's play.

Wir haben Kalon Studios nicht nur gegründet, um aufregende und inspirierende Produkte zu entwerfen, sondern auch um mit dem Design selbst einen positiven Wandel anzustoßen. Daher sind uns traditionelle und regionale Techniken und Materialien besonders wichtig.

Unser Ziel ist es, Produkte von einer unvergänglichen, inneren Schönheit zu schaffen.

KALON STUDIOS IST EIN JUNGES, DYNAMISCHES DESIGN-STUDIO, DAS SICH EINEM ZEIT GEMÄSSEN, NACHHALTIGEM DESIGN FÜR EIN MODERNES LEBEN VERSCHRIEBEN HAT.

ISOMETRIC TABLE
An exploration of how a flat sheet of material can be transformed in a way that is both interesting and unexpected.

Kalon Studios follows a philosophy of local manufacturing; each piece is handcrafted to order by traditional furniture makers in New England.

Kalon Studios is recognized as one of the most influential and innovative sustainable design companies in the world.

USING ONLY THE HIGHEST QUALITY SUSTAINABLE MATERIALS ALL OF OUR PRODUCTS ARE AMERICAN MADE WITH PURITY, CRAFT AND TIMELESS APPEAL IN MIND.

UNIT 2
Designed without a specific context in mind. With their simple aesthetic, the Units are highly adaptable storage solutions.

ALL UNSERE PRODUKTE SIND IN AMERIKA HERGESTELLT, AUS NACHHALTIGEN MATERIALIEN VON HÖCHSTER QUALITÄT UND MIT EINER VISION VON ZEITLOSER ÄSTHETIK.

CARAVAN DRESSER
A study in the precision of form, the bold pop of color and the organic qualities of natural material.

Gleichzeitig haben wir uns einer Philosophie der lokalen Fertigung verschrieben: Alle Produkte werden auf Bestellung von traditionellen Schreibern und Tischlern in Neuengland handgefertigt.

Kalon Studios gilt als eine der weltweit einflussreichsten und innovativsten Firmen für nachhaltiges Design.

KALON STUDIOS HAS BEEN PRODUCING AMERICAN MADE DESIGN WITH A FOCUS ON SEAMLESSLY COMBINING A LOVE OF CONTEMPORARY DESIGN, SIMPLICITY AND CRAFT SINCE 2007.

Each piece is made by a small team of highly skilled traditional craftspeople in New England, using timber sourced from local, sustainably managed forests and the highest quality sustainable finishes and materials.

Pieces are designed with flexibility of use, durability and timeless desirability in mind. Our intent is that the user will keep the product for a life time and that the piece will adapt to the users ever changing needs and tastes.

HUT-HUT KIDS
A playful reinterpretation of the rocking horse cut from FSC materials or cast in brightly colored recycled factory scrap.

ISOMETRIC CHAIR
A modern chair stripped down to its essential elements. Every detail is determined by its construction, strength of material and precision of digital fabrication.

Jedes Stück wird in Amerika von einem kleinen Team hochqualifizierter traditioneller Handwerker gefertigt. Das Holz stammt aus lokaler, nachhaltiger Forstwirtschaft, die Anstriche und Materialien erfüllen ausnahmslos höchste Qualitätsansprüche.

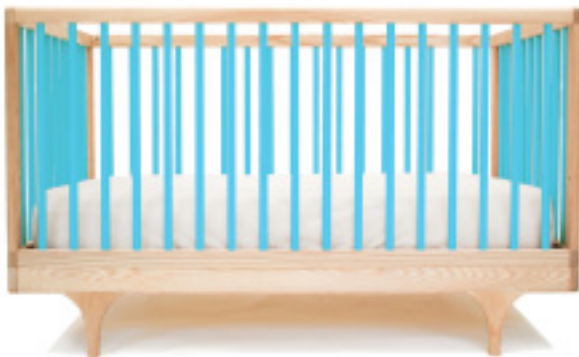

Bei jedem Produkt haben wir flexible Anwendungsmöglichkeiten, Haltbarkeit und eine zeitlose Schönheit vor Auge, denn wir möchten, dass der Nutzer das Produkt ein Leben lang verwendet und es sich seinen verändernden Ansprüchen und Vorlieben anpasst.

SEIT 2007 ENTWICKELN WIR EIN NACHHALTIGES DESIGN, IN DEM UNSERE LIEBE ZU EINER MODERNEN, EINFACHEN FORMSPRACHE MIT TRADITIONELLEN HANDWERKSTECHNIKEN NAHTLOS ZUSAMMENFLIESST.

These qualities stem from the ethos that pieces in our homes should invite and never impose. Casual and effortlessly beautiful. The result is that each product stands out while seamlessly blending into its environment.

**QUIETLY SUGGESTIVE,
PLAYFUL, FUNCTIONAL
AND UNDERSTATED.**

CARAVAN CRIB
Inspired by the storybook circus wagon, the piece plays with archetypal form and contemporary, ultra-bold colors.

CHANGING TRUNK
Changes with the user.
From changing station to
toy chest to reading bench.

**VERSPIELT, FUNKTIONAL,
DEZENT UND ZUGLEICH
SUGGESTIV.**

Wir möchten Produkte schaffen, die sich in ihre Umgebung einfügen und nicht aufdrängen, die souverän und unaufgeregt schön sind. Das Resultat sind Produkte, die sich abheben und gleichzeitig Teil des Raums werden.

We value the playful relationship between the inherent variations of natural materials and the precision of contemporary form.

ECHO TODDLER BED
Revealing the beauty of natural material, each surface is gently sculpted lending a subtle, unified quality to the form.

**KALON STUDIOS WORKS
PRIMARILY WITH NATURAL
MATERIALS, EMBRACING THE
UNIQUE CHARACTER AND
COLOR OF NATURAL MATERIALS
AS AN INTEGRAL PART OF DESIGN.**

**KALON STUDIOS ARBEITET
HAUPTSÄCHLICH MIT NATUR-
MATERIALIEN. DEN EIN-
ZIGARTIGEN CHARAKTER
UND DIE FARBE VON NATUR-
MATERIALIEN ENTWICKELN
WIR ALS INTEGRALEN
BESTANDTEIL DES DESIGNS.**

Dabei legen wir großen Wert auf die spielerische Beziehung zwischen den natürlichen Variationen und Mustern des Materials und der Präzision der modernen Form.

STUMP
Cut from the green wood of a tree trunk. The surface splits as it ages and dries, giving each piece a unique look.

IOLINE CRIB
Inspired by traditional wooden screens, the geometric patterning is unique for a crib and appeals to developing minds.

Pieces for North American are made in New England. Pieces for Europe are made in Europe.

KALON STUDIOS FOLLOWS A PHILOSOPHY OF LOCAL MANUFACTURING.

KALON STUDIOS HAT SICH EINER PHILOSOPHIE DER LOKALEN FERTIGUNG VERSCHRIEBEN.

TRUNK
Raw & unfinished, the piece celebrates the natural qualities of the tree trunk.

Produkte für den nordamerikanischen Markt werden in Neuengland hergestellt, alle Produkte für Europa in Europa.

PRODUCTS PRODUKTE

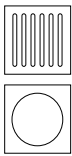

SIZE
Width×Depth×Height
All measurements in
inches

S = small
M = medium
L = large

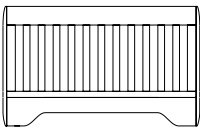

MATERIAL
A Ash
