www.kalonstudios.com | studio@kalonstudios.com

P.O. Box 421462 | Los Angeles | CA 90042 | 866.514.2034

ENTIRELY ORIGINAL.
DESIGN FOR
A SUSTAINABLE CULTURE.

Made with uncompromising craftsmanship by traditional woodworkers in the USA from 100% sustainably-harvested, solid, domestic wood, the Rugosa Bookshelf is a celebration of craft and contemporary American woodworking.

The unique character of the natural material is an integral part of the design that will only improve with age and use.

As with all of our pieces, we used the most sustainable materials and methods available. This piece is manufactured in America, upholding the long-standing regional tradition of furniture making and the craftspeople who are a part of it. Designed to be as socially and environmentally responsible as it is beautiful, this piece was built to last for generations of use.

x1

Base
x1

Part A1-L
x32

Part A2-L
x32

Allen Key
x1 Large

Part B-L
x24

Part Double B-L
x8

More fun when done with two people.

Step 1 Attaching Hardware Begin with the Base of the bookshelf. Insert parts A2-L into large holes along the bottom of the Base. Screw parts B-L into holes along inner face of Side 1 + Side 2.

Step 2 Frame and Shelf Assembly Place Side 1 against Base, sliding parts B-L into available holes in the Base and into parts A2-L. Please take care to align the through hole in part B-L with the available hole in Part A2-L. Using supplied Allen Key, screw parts A1-L into A2-L. Screw until tight. Use this same method for all Shelves, holes can face up or down, depending on your personal preference.

Step 3 Attaching Center Divider Insert parts Double B-L into the 8 holes along the Center Divider. Place parts A2-L in the large holes along the center facing side of the shelves. Using the Allen key, screw parts A1-L into A2-L. Place Side 2 into the base and repeat screw assembly for the second section of shelves.

Step 4 Top Once the Base, Sides, Shelves and Center Divider are affixed you can attach the Top. Place parts A2-L into the available large holes along the Top. Align the through hole in part Double B-L of the Sides, and Center Divider into the holes of the A2-L parts. Using supplied Small Allen Key, screw parts A1-L into A2-L. Screw until tight.

Enjoy!

Caution: Please use caution when assembling shelf, as the shelf represents a significant weight. To prevent any damages during assembly, we recommend assembling bookshelf on the floor and raise up into place. Please continue to use caution after assembly. **DO NOT DRAG SHELF**, dragging the bookshelf will cause damage that is not covered under warranty. **WARNING:** For your safety use anti tip/earthquake fastener.
